

Customer Service

New Customers

All New customers must fill out an Application and Service Agreement

Landlord/Tenant

An Application and Service Agreement is required by all individuals or commercial companies living, doing business or owning a lot within the District boundaries. This for is an agreement to pay the assessments, fees, and fines and any other charges that the District applies to the account. Failure to sign the agreement does not release the owner from his obligations to pay the balance in full. **If an owner chooses to rent his property, the renter will also be required to sign the Application and Service Agreement. If however, the renter does not pay the total amount due, the property owner will be responsible for the charges.** This application and service agreement can be obtained at the District Office located at 298 24th Street, Ste. 150, Ogden, Utah 84401 or on the home page.
